

**Injured Jockeys Fund**  
**Residential Rehabilitation**  
**Charges**

All currently licensed and retired jockeys are requested to, where possible, make a contribution towards the costs of their accommodation. This helps with the costs of lighting, heating, and laundry.

Charges are :

- £12 / day – single occupancy
- £15 / day – per couple or client plus carer

Charges for treatment vary according to the license held and your ability to contribute towards them. To make your individual arrangements please speak to your IJF almoner or Oaksey House/Jack Berry House office.

This is in line with the rules of the charity

**Non racing (Oaksey House Only):** Anyone living locally or from another sport.

**Accommodation** for residential rehabilitation: £40 / day per patient plus an additional £10 / day for a partner / carer.
